Professional Summary

Full Stack Developer with 2 years of hands-on experience at Sunasho Technologies, contributing extensively to both frontend and backend development. Led key modules for Dentalkart, including a feed system and full UI revamps. Built scalable systems using React, Next.js, and NestJS. In addition, completed multiple freelance projects over 1.5 years, including e-commerce platforms, desktop billing software, and custom admin panels. Known for being a quick learner and a reliable contributor in fast-paced, cross-functional teams.

Technical Skills

- **Frontend:** React, Next.js, JavaScript, TypeScript, Tailwind CSS, ShadCN UI, Storybook, Framer Motion, HTML5, CSS3, Bootstrap, jQuery, GSAP, Zendesk UI

- **Backend:** Node.js, NestJS, Puppeteer, REST APIs, MySQL, Firebase, Express.js, Java (JDBC), PHP, Prisma ORM

- **Tools:** Git, GitHub, GitLab, VSCode, Figma, Postman, npm, Yarn, Chrome DevTools, JIRA, Apache, XAMPP

- **Other:** Web scraping, UI Animation, Context API, Responsive Design, SEO Optimization, CI/CD Pipelines, Deployment (Vercel, Netlify)

Professional Experience

Full Stack Developer — Sunasho Technologies   *Mar 2023 – Jan 2025*
Worked on three major projects for Dentalkart, contributing both frontend and backend features.

- **Price Comparison Tool:** Built UI for comparing 1.5L+ products scraped via Puppeteer. Delivered insights via graphs and tables. Stack: React, NestJS, MySQL.

- **Admin Panel Revamp:** Modernized admin panel covering inventory, orders, returns, and feeds. Built entire backend for feed system using NestJS.

- **Official Website Revamp:** Led frontend revamp using Next.js + TailwindCSS. Set up component system in Storybook and implemented SEO fixes.

- **Speech-to-Text Prototype:** Developed internal tool using AWS Transcribe API to convert speech to text for voice input exploration.

Achievements:

- Promoted with salary raise from 5.5 to 7 LPA in under 12 months.

- Sole frontend lead for the official Dentalkart website revamp.

Freelance Projects (2016–2022)

- **AgarwalSweetsLKO.com:** Website for local sweets business (PHP, jQuery).

- **PetsLover.in:** E-commerce store for pet products (PHP, MySQL) (discontinued).

- **Billing Software:** Inventory and sales desktop app (Java, JDBC).

- **ArisingWoodler.com:** Lifestyle product site (discontinued).
